ANY OTHER AREAS OF INTEREST:

Treasure

In gratitude for God’s blessings, I/We commit to Christ and His Church the following amount:

\$_____ Weekly

\$_____ Monthly

\$_____ Quarterly

\$_____ Annually

to be stewards of this great gift. If we are faithful to this calling, perhaps our Lord will say to us as he did to the faithful steward, “Well done good and faithful servant” (Mt 25:23).

A New Perspective

What is changing?

For many years Saint Mary Armenian Church has operated under a Dues Membership System. As a participating parish in the Diocese’s new Stewardship Pledge Pilot Program you will no longer be asked to pay membership dues starting in 2024. The additional privileges that came with

paying membership dues will now be automatically available to you as a result of making a Stewardship Pledge of any amount, either as an individual or as a family unit, and fulfilling that pledge by the end of the year.

How much should I pledge?

The amount to pledge will vary based on each person’s desire and ability to give. Consider all the items we pay for monthly during the course of a year such as cell phones, cable TV, coffee, eating out, tips, etc... Then look into your heart and ask yourself how much your Church and its mission means to you personally?

Why must I commit to give a specific amount?

Please keep in mind that your stewardship of money is kept in the strictest of confidence. However, we do compile the amounts anticipated to better plan our budget.

What if I cannot fulfill my stewardship commitment?

During the course of a year, we understand circumstances may change unexpectedly. Your stewardship is valued because it is made out of your love for God and His Church. While we hope you will be able to fulfill your stewardship commitment by the end of the year, do not be concerned if you are unable to do so – just inform the Church Office.

We are glad you are a part of this parish.

Christian Stewardship...

...goes beyond simply making a monetary pledge to Saint Mary Armenian Church.

It is...

...our active commitment to use all our time, talent and treasure for the benefit of humankind in grateful acknowledgment of Christ’s redeeming love.

...learning how to be a responsible and concerned caretaker of Christ’s Church; it is learning how to enjoy Church life and be happy in Church work, for in Her dwells the fullness of the Spirit of God.

...caring for the needs of others.

...offering one’s self to God as He offered Himself to us.
